

## NATIONAL PARK SERVICE VIRTUAL MEMORIAL DAY TRIBUTE

### MONDAY, MAY 25, 2020

Join NPS sites in 12 states for a coordinated, collaborative **Virtual Memorial Day Tribute** on **Monday, May 25, 2020**. Many parks that typically hold large events or ceremonies in honor of our nation's fallen military are not able to do so this year due to the ongoing pandemic. As an alternative, we are combining efforts and encouraging visitors to join us online to remember and honor those who died in service to our country.

### HELP US SPREAD THE WORD!
