Dear Sirs:

I was a prisoner of war in Europe/the Pacific during World War II. Please search records in your custody for documentation to verify my POW status, including any available medical information.

I am particularly interested in the information contained in Record Group 389, Record Group 153.

I have at present, a claim pending with the Veterans Administration, and the information is needed to help substantiate my claim.

1. Record Group 242. Records in the file series EAP 97/122 (Miscellaneous German Records Collection), of the World War II Collection of Seized Enemy Records, contain a file of 10,200 cards (6"x8") on United States soldiers captured by the Germans, 1942-1945. The cards, arranged alphabetically by name, were prepared and maintained by German Army High Command POW Camp authorities. Each card has the following entries: name, prisoner number, date of birth, rank, unit, army serial number, date and place of capture, health status, height, hair color, civilian occupation, marital status, religion, names of parents, fingerprints, photograph, and pay record. This card series is on microfilm (identified as microcopy T84, rolls 358-374.)
  2. Record Group 389. Records of the Office of the Provost Marshal General contain alphabetical lists of American prisoners of war recovered from Japanese and German camps; reports on conditions at prisoner of war camps (including reports of the International Red Cross); and other correspondence, cables and reports on transfers of prisoners, dates of capture and liberation of prisoners, prisoner escapees, and related prisoner-of-war matters. Some information on the medical condition of individual prisoners can be found in these records. The records contain information classified through SECRET.
